### ORDERING INSTRUCTIONS

Photos are now available to view on my website.

Go to [racheljensenphotography.com](http://racheljensenphotography.com). Click on Client Galleries then on the gallery named Teams. This will be password locked. The password was sent home with players on picture day.

There are two ways to order:

If paying with a **credit card**: You can order online as soon as the photos are there. Your photos will come right to your door and you'll get them faster. However, you'll have a shipping charge. You can order this way anytime for the next year.

If paying by **check**: You can mail your payment and order to me. I will be placing one order early on **Friday, July 13th**. Any order received in the mail after that date will be returned. With this option you won't get your pictures as soon, but you'll save the shipping fee. Checks can be payable to Rachel Jensen Photography

**Digital Downloads** - If you choose to purchase a digital download I will email you a coupon code to use on my website. You will also receive a print release. However, print quality cannot be guaranteed.

Thank you so much for your order! If you have any questions please feel free to call or email me.
